FOR IMMEDIATE RELEASE

Boston Biotech Clinical Research, LLC Receives 2022 Best of Cambridge Award

Cambridge Award Program Honors the Achievement

CAMBRIDGE January 5, 2022 -- Boston Biotech Clinical Research, LLC has been selected for the 2022 Best of Cambridge Award in the PHARMACEUTICAL CONSULTING FIRM category by the Cambridge Award Program.

### **About Boston Biotech Clinical Research, LLC**

Boston Biotech Clinical Research (BBCR) is a boutique consulting firm offering world-class regulatory, clinical research, and precision medicine development strategies to domestic and international drug and device companies. BBCR supports pharmaceutical innovators and nurtures their strengths via the "SCIO process." BBCR advises for Time and Cost Efficiencies and Risk Mitigation with a clear strategy to meet goals, streamlined protocols for cost-effective trials, flexible road-map, and robust clinical data for a clear and fast path to market.

### **About Cambridge Award Program**

The Cambridge Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Cambridge area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value. These outstanding companies help make the Cambridge area a great place to live, work and work. The 2022 Cambridge Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Cambridge Award Program and data provided by third parties.
